**803 Argyle Ave**

**Flossmoor, IL 60422**

**Due: March 1, 2019**

**Thorn Creek Audubon Society &  
 Homewood Izaak Walton Preserve**

**NATIVE PLANT SALE 2019**

Thorn Creek Audubon Society (TCAS) & Homewood Izaak Walton Preserve (HIWP) are co-sponsoring a native plant sale. Both organizations hope to raise funds for educational/conservation projects and to increase native plantings in our area. Profits will be split between TCAS and HIWP.

Plants have been chosen to thrive in this area and support pollinators/butterflies. All are native to Illinois.

They represent a variety of plant types, colors, textures and bloom times. See back of page for plants included in this year's sale.

Plant Sale and Pre-order Pick-up:  
**Saturday, May 18, 2019**  
**9:00 AM – 12:00 PM**  
**HOMEWOOD IZAAK WALTON PRESERVE**  
**1100 RIDGE ROAD**  
**HOMEWOOD, IL 60430**

**To obtain the plants you want, we highly encourage pre-ordering.**  
**Make checks payable to: Thorn Creek Audubon Society**  
***Pre-orders due March 1, 2019***

Mail orders to:  
Judy Johnson  
803 Argyle Avenue  
Flossmoor, IL 60422

Judy is happy to answer questions regarding the plants or the sale:

Text: 312-307-1808

We have worked closely with **Possibility Place Nursery** to choose plants that can be reliably provided. However, even with careful planning, some plants do not propagate as expected and so are not available at the time of pick-up. If you pre-order and any of your plants are not available, please indicate on the reverse side if you would like a cash refund, substitution of the plant, or to donate.

*Native plants are much more likely to thrive when placed where conditions support them: For example, do you love **red**? Both the Cardinal Flower and Royal Catchfly produce beautiful red flowers, but the Cardinal Flower likes **sunny, wet** conditions, whereas the Royal Catchfly likes **sunny, dry** conditions.*
